Kissing Madeline Lex Martin 2015-04-26 What's the worst thing about wanting a sexy NFL football player? Everyone else wants him, too. After catching my boyfriend getting deep-throated by a cage girl, I've learned my lesson – never date a professional athlete. Never. Besides, I have more important things to worry about, like not blowing my shot to make it as a broadcast reporter. I won't let anything get in my way, not even the new "it boy" of the NFL and my hot-as-hell neighbor. What's the worst thing about getting death glares from his new neighbor? It doesn't make him want her any less. I've worked my ass off to make it to the pros. The last thing I need is the complication of a relationship, especially since my last one was a total train wreck. But I can't stop thinking about the feisty girl next door with the smart mouth. And I'd love nothing more than to show her what to do with that mouth. Friends with benefits might be the best idea he's ever had. Or the worst. KISSING MADELINE, the third book in The Dearest Series, can be read a standalone novel. This new adult romance is recommended for readers 18+ due to mature content. ORDER OF BOOKS: Dearest Clementine (Clementine & Gavin) Finding Dandelion (Dani & Jax) Kissing Madeline (Maddie & Daren)

Prince2 Foundation Training Manual Van Haren Publishing 2017-01-15 Thank you for reading our PRINCE2 Foundation Training Manual. The main objective of this book is to provide an easy-to-read and easy-to-understand PRINCE2(R) Foundation training manual. The official PRINCE2 manual, "Managing Successful Projects with PRINCE2," is an excellent reference manual, but it is not a training manual and should not be used as one, as it is very difficult to comprehend and understand if you are new to project management. The official PRINCE2 manual also covers the complete Practitioner Syllabus, and it's impossible to know which parts are just focused on the PRINCE2 Foundation syllabus, so you have to read everything, which is not good if you are just studying for the foundation exam. Henceforth, this book is meant to be (and is) an easy introduction to PRINCE2 based on the Foundation syllabus, and it's quickly becoming the most read book for people wishing to learn about PRINCE2 and prepare for the foundation exam.

Finding Dandelion Lex Martin 2014-07-09 When soccer all-star Jax Avery collides with Dani Hart on his twenty-first birthday, their connection is instantaneous and explosive. For the first time in years, Jax isn't interested in his usual hit-it and quit-it approach. But Dani knows better. Allowing herself a night to be carefree and feel the intensity of their attraction won't change anything when it comes to dealing with a player. So when Jax doesn't recognize Dani the next time he sees her, it shouldn't be a total shock. The fact that he's her new roommate's brother? That's a shock. Dani doesn't regret that night with Jax, just the need to lie about it. Since her roommate has made it clear what she thinks about her brother's "type" of girl, the last thing Dani wants is to admit what happened. Jax knows he's walking a fine line on the soccer team. One more misstep and he's off the roster, his plans to go pro be damned. Except he can't seem to care. About anything... except for the one girl who keeps invading his dreams. Despite Jax's fuzzy memory of his hot hookup with his sister's friend, he can't stay away from her, even if that means breaking his own rules. But there are bigger forces at work—realities that can end Dani's college career and lies that can tear them apart. Jax realizes what he's losing if Dani walks away, but will he sacrifice his future to be with her? And will she let him if he does? Finding Dandelion, the second book in The Dearest Series, is a standalone novel. This new adult romance is recommended for readers 18+ due to mature content. District of Columbia Appropriations United States. Congress. House. Committee on Appropriations 1904 Komodo Dragons James B. Murphy 2015-03-31 More than twenty years have passed since Walter Auffenberg's monumental *The Behavioral Ecology of the Komodo Monitor*. In the intervening years the populations of Komodo dragons—native only to a handful of islands in southeast Indonesia—have dwindled, sparking intensive conservation efforts. During the last two decades new information about these formidable predators has emerged, and the most important findings are clearly presented here. A memoir from Walter Auffenberg and his son Kurt is followed by the latest information on Komodo dragon biology, ecology, population distribution, and behavior. The second part of the book is dedicated to step-by-step management and conservation techniques, both for wild and captive dragons. This successful model is a useful template for the conservation of other endangered species as well, for, as Kurt and Walter Auffenberg note, "The species may well indeed survive in the wild for generations to come while countless other organisms are lost."
