Garland Roses II Kathryn L.m. Reynolds 2017-06-13 Garland Roses II At long last here is the second book in the Garland Roses

series! Garland Roses II takes up where the first story left off. Within the pages of this book you will be reunited with all your favorite characters from Garland Roses I, as you are introduced to new ones as this story unfolds. However I do need to add that Garland II is much more action packed than the first book in this series was, not to mention that there are a lot of unexpected twists and turns within the pages that will take you completely by surprise! However just like the first book this one will also make you smile and cheer you up, and cause you to fall in love with most of the characters within its pages. While this story begins where Garland Roses I left off, it soon takes off on into its own unforgettable tale of romance and intrigue. Within the pages of this book Falcon's and Henrietta's romance continues with a lot of humorous and suspenseful ups and downs in it, right along with Annie Smith's rocky romance with a certain Shadow Creek Sheriff by the name of Andrew C. Blackner. Both romances revolve around the dangerous situation Annie becomes embroiled in when on the way home from Joel and Kathy Garland's wedding she becomes the key witness in the murder of a Washington State Trooper, which is linked to the deaths of several undercover FBI and DEA agents as well. Catapulted into a dangerous situation, Annie is forced into protective custody to keep her safe from a chillingly cold-blooded killer who is responsible for the death of a state trooper and several undercover agents. Nick Stone and the entire C.O.P.S. Investigation and Protection Agency are responsible for her protection and safety, and two bodyguards have been assigned to be her primary protectors. While Annie appreciates the protection, Henrietta Henderson is one of her bodyguards, she is not happy that Sheriff Andrew C. Blackner is the second bodyguard assigned to her protection. Not only is the sexy sheriff the one who gave her a hefty ticket and changed her flat tire on her way to Kathy's wedding, but she is extremely nervous to be around him because of the powerful feelings and sensations that he alone is able to generate within her. Not to mention she was unnerved by his uncanny ability to easily read and discern her every thought and intention. His all too knowing and keen gazes flusters her to no end. Annie is running scared, but it's not because she's on a known killer's list...

A Scary Little Christmas Matthew C. DuPée 2022-06-07 Controversial yet beloved among audiences, Christmas-themed horror films emerged in the early 1970s and gained a notorious reputation with *Silent Night, Deadly Night* (1984), depicting Santa as an evil, homicidal maniac. Psycho Santa films such as *Christmas Evil* (1980) and *3615* co
